MASTER CONTRACT
HARLAN COMMUNITY SCHOOLS
And
HARLAN EDUCATION ASSOCIATION

FOR
SCHOOL YEAR 2007-2008

Preamble

The Board of Directors of the Harlan Community School District hereinafter referred to as the "Board", and the Harlan Education Association, hereinafter referred to as the "Association", recognize that the mutual responsibility of the parties is to provide a quality education for children and youth of the School District.

Whereas, the Board of Education of the Harlan Community School District and the Harlan Education Association agree to negotiation in good faith. The parties have reached certain understandings which are confirmed in this Agreement. It is agreed as follows:

Article I: RECOGNITION

- A. The Board of Education of the Harlan Community School District hereby recognizes the Harlan Education Association, the ISEA and it's authorized agents as the certified exclusive and sole bargaining representative for all personnel as set forth in the PERB certification instrument (No. 324) issued by the PERB on the 17th day of September, 1975, whether under contract, or to be employed by the Board of Education of the Harlan Community School District. Such representation shall cover all personnel assigned to newly created professional positions unless the new positions are deemed by the Board of Education to be administrative or supervisory in scope.
- B. The Harlan Educational Association recognizes the Board of Education of the Harlan Community School District as the duly elected representatives of the people and agrees to negotiate only with the Board of Education through the negotiating agent or agents officially designated by the Board to act in its behalf.

Article II: GRIEVANCE PROCEDURE

DEFINITION OF A GRIEVANCE

A grievance is the infliction of wrong or hardship on a person. In the school setting, the essential ingredients are a policy procedure or contractual provision, and one or more employees who claim that there has been a violation, misinterpretation of the policy, procedure, or contractual provision. In a grievance action the aggrieved (one who has been wronged) claims that he/she was denied something to which he/she was entitled under established school board policies.

"Grievances should be distinguished from complaints", according to a 1966 statement by the National Educational Association. Any act of an administrator which arouses the ire or objection of a teacher may be the ground for a complaint. The teacher may disagree with the principal's evaluation of his/her teaching or may resent the way the principal talked to him/her.

1
2 A complaint, however, is not a grievance unless there is a claim that an administrator has denied
3 the complainant something to which he/she had a right under the rules of the teacher handbook,
4 policies of the Board of Education, or contractual provisions. In other words, in a grievance
5 action, the aggrieved claims that the guarantee of some right, or benefit provided in a policy,
6 procedure, or contractual provision has not been honored.

7 8 GOAL

9
10 The goal of this procedure is to secure, at the earliest possible level, equitable solutions to the
11 problems which may arise affecting certified personnel.

12 13 WHO MAY INITIATE A GRIEVANCE

14
15 A group of educators having the same grievance.

16 An aggrieved person under contract with the school system.

17 An aggrieved person accompanied by another person.

18 19 STRUCTURE OF FORMAL APPEAL

20
21 In the event that the matter is not resolved informally, there are three additional steps of formal
22 appeal:

23
24 1. Immediate supervisor or his/her appointee.

25
26 If the grievance occurs within a building, the aggrieved shall file the grievance with the building
27 administrator or his/her appointee. If the grievance arises from an action of an authority higher
28 than the principal or a school or department head, the aggrieved may present such grievance to
29 the appropriate person.

30
31 2. The Superintendent or his/her appointee.

32
33 3. Arbitration.

34 35 STEP I

36
37 Prior to the filing of a written statement, the aggrieved person must ask for and receive time for an
38 informal discussion. This meeting should be an attempt to resolve the grievance in a businesslike
39 manner. (This conference must be held in the office of the Administrator.)

40
41 If a grievance is resolved in this step, it is recommended that no record be forwarded to the
42 Superintendent's Office.

43 44 STEP II

45
46 In the event that the matter is not resolved informally, a grievance should be filed, in writing, as
47 soon as possible, but not to exceed ten (10) contract days, excluding Saturday, Sunday and
48 school holidays, following the act or condition which is the basis for the grievance. The problem
49 must be submitted as a grievance to the building principal if a teacher is involved.

50
51 The administration shall state his/her decision in writing, together with his/her supporting reasons,
52 and shall furnish a copy to the aggrieved within ten (10) days after receiving the grievance in
53 writing.
54

STEP III

After receiving the decision of his/her administrator, the aggrieved may appeal the decision to the Superintendent or his/her appointee within three (3) contract days.

After the delivery of the appeal, the Superintendent or his/her appointee shall investigate the grievance and shall give all persons who participated in Step II a reasonable opportunity to be heard. Upon request of either the Administrator or the aggrieved, all persons will meet at the same time.

The Superintendent or his/her appointee must give his/her decision, in writing, together with his/her supporting reasons, to the aggrieved and to his/her administrator. This decision must be given within ten (10) contract days after he/she personally receives the grievance, excluding Saturday, Sunday, and school holidays, unless the aggrieved or the Superintendent calls for a hearing in which case there will be an extension of five contract days.

STEP IV

- (a) If the aggrieved person is not satisfied with the disposition of the grievance by the Superintendent, or if no disposition has been made within the time limits, the aggrieved person and the Association shall meet within five (5) school days of disposition of the grievance or to discuss the merits of submitting the grievance to arbitration.
- (b) If the aggrieved person determines that the grievance is meritorious, the aggrieved may submit the grievance to arbitration within five (5) school days.
- (c) Within ten (10) school days after written notice to the Superintendent of submission to arbitration, the Superintendent and the aggrieved shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a written request for a list of arbitrators shall be made to the Public Employment Relations Board (PER Board) by either party. The list shall consist of three arbitrators and the parties shall determine by lot which party shall have the right to remove the first name from the list. The party having the right to remove the first name shall do so within two (2) school days, and the other party shall have one (1) additional school day to remove one of the two remaining names. The person whose name remains shall be the arbitrator.
- (d) The arbitrator so selected shall confer with the representatives of the school district and the aggrieved and hold hearings promptly and shall issue his/her decision not later than fifteen (15) school days from the date of the close of the hearings, or, if oral hearings have been waived, then from the date the final statements and conclusions on the issues were submitted. The arbitration hearing shall be scheduled not later than sixty (60) days following the date on which the request for arbitration was submitted to the superintendent. The arbitrator shall be without power or violation of the terms of this Agreement. The decision of the arbitrator shall be submitted to the Superintendent and the aggrieved and shall be final and binding on the parties.
- (e) The costs of the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses, and the cost of the hearing room shall be borne equally by the parties.

RIGHTS OF EMPLOYEES TO REPRESENTATION

1. No aggrieved at any stage of the grievance procedure will be required to meet with any administrator without representation from the Association or its appointed designee if desired.

2. No reprisal of any kind shall be taken by the Board, by any member of the Administration, or by the Association or its affiliate organization against any party in interest or any other participant in the grievance procedure by reason of such participation.

3. Released Time. When it is necessary for a teacher and Association representative (who have filed a grievance) to attend a meeting called by an administrator or an arbitrator, said teachers shall be released without loss of compensation for the meeting time.

MISCELLANEOUS

1. Separate Grievance File. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

2. Meetings and Hearings. All meetings and hearings under this procedure shall be conducted in private and shall include only witnesses, the parties in interest, and their designated or selected representatives, heretofore, referred to in this article. A tape recorder may be used if both parties agree.

3. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit lodging an appeal at the next step of this procedure within the time allotted had the decision been given. Failure to appeal a decision within the specified time limits shall be an acceptance of the decision.

Article III: ASSOCIATION RIGHTS

A. Use of Facilities

The Association and its members shall have the right to make use of school buildings and facilities at reasonable hours for meetings and any and all office equipment when such equipment is not otherwise in use. The Association shall pay for the cost of all materials and supplies incidental to such use. B. Communications

The Association shall have the right to post notices of activities and matters of Association concern on existing bulletin boards, in each school building in areas designated for employee use, such as teachers' lounges and workrooms, but not in areas open to the public or students. 1 E. Released Time

5 a mediator or arbitrator, he/she shall suffer no loss in pay or other benefits.
6

7 F. Board Policies

8
9 The Board agrees to mail copies of School Board Agenda when Board materials are mailed. The Board
10 will not make a policy change on a matter clearly defined in the law as a negotiable item until it is
11 discussed with the Association and agreed upon by both parties.
12

13 Article IV: MANAGEMENT RIGHTS

14
15 It is expressly understood and agreed that all functions, rights, powers or authority of the Administration of
16 the School District and the Board of Directors which are not specifically limited by the express language
17 of this Agreement are retained by the Board, provided, however, that no such right shall be exercised so
18 as to violate any of the specific provisions of this Agreement.
19

20 Article V: DUES DEDUCTIONS

3. Employees with less than two (2) years of continuous employment in the Harlan Community School District. Within K-5 and 6-12 grade levels.

6. If a tie exists, the employee with the lowest degree will be reduced.
7. If a tie still exists, final judgment will be made by the Superintendent.
8. Both parties agree that maintaining quality programs throughout the school system is important. While experience is considered to be one of the important factors contributing to quality programs, the Board has the right to make exception to the aforementioned procedures in order to maintain quality or meet state standards. As an example, if a teacher is working in two (2) or more areas and there is no other teacher qualified or willing to assume these duties it would be necessary to make an exception to the aforementioned procedures. When the Board is considering such an exception the Board shall notify an advisory committee (three (3) Association Members) and provide the committee an opportunity to express their opinion on the proposal. While the final decision is clearly a Board responsibility, both parties understand such exceptions should be made sparingly.

- D. Any teacher re-employed by exercising recall rights shall be entitled to all benefits, including unused sick leave, and will be placed on the salary schedule step to which he/she was entitled at the time of layoff.

4. REALIGNMENT

- A. When a teaching vacancy occurs at the K-5 or 6-12 level, the administration shall see that a notice is posted on the bulletin board in the teacher's lounge of each building. Teacher Evaluation Instrument

Tier II

PERFORMANCE REVIEWS

(Excerpts from Chapter 284, Iowa Code)

Performance review means a summative evaluation of a teacher other than a beginning teacher that is used to determine:

- whether the teacher's practice meets school district expectations and the Iowa Teaching Standards, and
- whether the teacher's practice meets school district expectations for career advancement.

A participating school district shall review a teacher's performance at least once every three years for the purpose of:

- assisting teachers in making continuous improvement
- documenting continued competence in the Iowa Teaching Standards
- identifying teachers in need of improvement

The review shall include, at minimum:

- classroom observation of the teacher
- teacher's implementation of and progress on the teacher's Career Development Plan
- supporting documentation for the Iowa Teaching Standards

In addition the teacher may also choose to present a more formal documentation format such as a file portfolio, video portfolio, e-portfolio, etc. as evidence of teaching practices.

Harlan Community School District Performance Review Design

We believe performance reviews must be a meaningful process which:

- Promotes continuous growth
- Validates effective practice
- Documents impact on student achievement
- Encourages a collaborative exchange of ideas
- Satisfies the legal framework

Major Elements of a Performance Review

In accordance with Iowa statute and good practices, the committee determined that performance reviews in Harlan would have four major elements:

- Career Development Plan (Formative)
- Classroom Observation (Formative)
- Iowa Teaching Standards Review (Formative)
- Conference based on the above elements (Summative)

Timeline for a Performance Review

- A. Following ratification of the Master Contract, teachers will be informed as to the procedures for performance reviews. By May 1 administration will notify all teachers of their placement on the evaluation cycle.
- B. An individual conference between each teacher participating in a Performance Review and the evaluator will be held on or before October 1. Exceptions will be made if mutually agreed upon by the teacher and the evaluator.
The purpose of the conference is to:
 - 1. establish the general timeline
 - 2. begin collaborative work between the teacher and evaluator that results in a schedule that includes dates for observations and discusses topics that might be addressed in the process
 - 3. explain expectations of the teacher
 - 4. provide an opportunity for the teacher to ask questions.
- C. The evaluator and teacher participate in a formal performance review that includes:
 - 1. The Career Development Plan
 - 2. Information from the formal observation
 - 3. The Iowa Teaching Standards Review
- D. The summative conference must be completed by March 31st.

Connection of the Career Development Plan with the Performance Review

- A. The most recent Career Development Plan will be considered as part of the Performance review.
- B. The Career Development Plan may be included in the teacher's comments (supporting indicators) section for Standard 7 in the Iowa Teaching Standards Review.

Procedures for observations

- A. There will be at least one formal observation during year three.
- B. Documents for use in the observations are:
 - a. Pre-observation Form
 - b. Observation notes
 - c. Post-observation Form
- C. Walk-throughs will be made to support teachers in artifact gathering.
 - a. The purpose of a walk-through is to validate effective practice.
 - b. Any documentation or notations during informal observations/walk-throughs will be made available to the teacher in a timely manner.

Guidance for the ongoing Iowa Teaching Standards Review

- A. The Iowa Teaching Standards Review serves as the summary event of the performance review. The review, along with the Career Development Plan and observation, provides the content for the conversation (conference) between the teacher and evaluator. Preparation of the review allows the teacher to provide information regarding the teacher's work in each of the eight Iowa Teaching Standards. There is no specific requirement for a portfolio or other collection of information or data; however, in certain cases, such information might be useful to the conversation.
- B. The teacher will present supporting documentation for the Iowa Teaching Standards. This documentation can be in the form of pertinent artifacts and information. The method of collection and what to collect is a decision of the teacher, unless the evaluator makes a specific request.
- C. The teacher may save items specifically for the review such as letters and communications to parents in addition to information otherwise available such as ITBS scores. Information from the evaluator's observations may be used in the review.
- D. Each Iowa Teaching Standard and criteria must be addressed. There should be a statement for each standard that connects the actual teaching of the teacher in terms of the standard. Artifacts relating to the teaching may be referenced. Teachers and administrators may use the Reflection Guide as a tool to facilitate discussion concerning a teacher's progress towards meeting the Iowa Teaching Standards. Movement to Tier III will be determined after ongoing documentation of unsatisfactory performance in one or more criteria on the Reflection Guide.
- E. The evaluator may wish to review the artifacts with the teacher as part of the conference.
- F. The administrator and the teacher will work together to review the Iowa Teaching Standards throughout the three year cycle and document the evidence to support the standard on the summative form. The final summative conference should be a brief meeting to review the evidence that has already been collected and validate that all 8 standards have been met or make a recommendation to move to Tier III. Summative evidence that is gathered throughout the three year cycle will be shared collaboratively with the teacher and the administrator as it is incorporated on the summative form.
- G. Whenever possible the administrator and teacher should work together to identify and to reference what teaching standard is being addressed.

Process Used for Career Development Plan

- The Career Development Plans are to be drafted by the first Wednesday in September.
- The Career Development Plan may be developed by an individual or group. The guiding questions should be used to help the teacher(s) design the plan and do not necessarily have to be answered. The principal/evaluator will meet with the teacher(s) to review the plan, jointly modify it as needed, and approve the plan by the first Monday in November.
- A Mid-Year Reflection and Update is due to the principal/evaluator by the second Wednesday in January. The purpose of this report is to review the progress toward the completion of the plan. The teacher(s) and principal/evaluator do not have to meet and discuss this mid-year reflection.
- End of the Year reports on the Career Development Plan will be submitted to the principal/evaluator as part of the ongoing evaluative process and will be due by the final workday of the school year.
- The teacher keeps the materials they have generated as part of the Career Development Plan such as “artifacts” and reflections.
- As part of the Career Development Plan, the teacher may choose the data collection method for the evaluation process such as “supporting documentation from other evaluators, teachers, parents, and students” that is required by law.

TIER III

INTENSIVE ASSISTANCE PLAN

Prior to a teacher being placed on the intensive assistance plan, it is expected that most performance concerns will be resolved through informal discussions in a professional and collaborative manner. To maintain the integrity of the process, confidentiality is expected of all participants.

The purpose of the Intensive Assistance Plan is to provide a structured process for a Tier II teacher who needs additional assistance and support to maintain an acceptable level of performance, as identified in the Iowa Teaching Standards (1-7) and Criteria. This plan demonstrates the Harlan Community School District's commitment to quality teaching by providing a supported and structured system of assistance to ensure that every career teacher is meeting the Iowa Teaching Standards. However, if a teacher needs additional support and assistance to meet the Iowa Teaching Standards, the staff member is provided with written notification of the problem(s) with all the requirements of due process met. A collaborative environment is preferred as the teacher and administrator draft and implement the components of the plan. The plan consists of two assistance levels: Awareness Phase and Assistance Phase

Awareness Phase (This Phase may begin at any time.)

1. If an evaluator determines a teacher has a performance problem related to the Iowa Teaching Standards and this situation is not resolved to the evaluator's satisfaction by informal discussions, a formal meeting will be scheduled to discuss the situation or incident. This formal meeting will be considered the beginning of the Awareness Phase. The teacher may have a representative present at this or any meeting involving career teacher assistance.
2. During this meeting, the evaluator will convey to the teacher, in writing, the specific behaviors that do not meet the Iowa Teaching Standards, including the information and evidence used as the basis for the judgment. This information will be included on the Identification of Concern-Awareness Phase (ICAP) form.
3. The remainder of the ICAP form will be completed through a collaborative process involving the evaluator and the teacher. The components include:
 - Actions to be taken/timelines
 - Expected Progress Indicators
 - Expected Outcomes
 - The evaluator and the teacher will determine if the Individual Career Development Plan continues or discontinues
 - Next meeting date
4. The teacher may also seek assistance from other staff members on a voluntary basis. A teacher/mentor whose assistance is requested during the Awareness Phase will not be required to provide testimony or information to the teacher's evaluator, principal, or supervisor.
5. The duration of the Awareness Phase shall be a collaborative decision between the supervisor and teacher. During that time, the evaluator and teacher will review the teacher's progress using the ICAP form.
6. At the conclusion of the Awareness Phase, the evaluator shall make one of the following decisions using the Final Summary-Awareness Phase (FSAP) form.
 - Concern resolved, the teacher returns to the Individual Career Development Plan
 - Concern not resolved, the teacher is placed into the Assistance Phase.
7. A teacher can be placed on the Intensive Assistance plan at any time if his/her performance drops below the standards adopted by the district.

Forms used in the Awareness Phase shall be placed in the teacher's personnel file.

Assistance Phase Procedures

1. If in the judgment of the evaluator, the Awareness Phase does not result in a teacher's satisfactory and timely progress toward meeting the Iowa Teaching Standards, the evaluator will communicate in writing that the teacher is to be placed into the Assistance Phase. The teacher may have a representative present at any meeting involving career teacher assistance.
2. The Assistance Phase will begin with a formal meeting between the evaluator and the teacher. During this meeting the evaluator will convey to the teacher, in writing, the specific behaviors that do not meet the Iowa Teaching Standards and will review documentation supporting this conclusion. Also during this meeting, the evaluator will present to and discuss with the teacher the **Intensive Assistance Plan** form which identifies actions for the teacher to complete for the purpose of improving performance in areas identified as unsatisfactory.
3. The ***Plan of Assistance*** will require, but is not limited to, conferencing with the teacher, observations, time line and follow-up activities.
4. With the agreement of the teacher or at the request of the teacher, an Assistance Team (suggested that this team consist of 3-4 members) shall be created consisting of persons who have experience or expertise in the performance area(s) in which the teacher is in need of improvement.
5. The evaluator and teacher will mutually select the members of the team. Membership on the Assistance Team will be voluntary and strict confidentiality will be maintained by members of the Assistance Team. Observations and comments made by members of the Assistance Team are not presented in writing, are not reported to the evaluator, and do not become part of the teacher's evaluation.

The evaluator shall convene the initial meeting of the Assistance Team with the teacher. The role of the Assistance Team is to use data and information provided by the evaluator (Review information gathered during the Awareness Phase and the proposed Intensive Assistance Plan) and the teacher to assist in developing a planned approach to help the teacher meet the Iowa Teaching Standards. The assistance provided is targeted solely at helping the teacher improve her or his performance in relation to the Iowa Teaching Standards.
7. The duration of an Assistance Plan will vary, depending upon the needs of the teacher; however, when combined with the Awareness Phase, cannot exceed twelve months. The plan will be discontinued early upon a determination by the supervisor the teacher has met the goals.
8. After the Assistance Plan has been completed, or upon receipt of a written request from a teacher to discontinue the process, the evaluator will complete a ***Final Summary*** form and make one of the following recommendations:
 - a. The concern has been resolved, the teacher returns to the individual career development plan if the evaluator and the teacher agreed that the career development would be discontinued during the assistance phase.
 - b. Progress sufficient to place teacher on Career track and on evaluation cycle for the next school year. (This allows the evaluator to monitor the teacher to assure the progress made continues.)
 - c. Concerns not resolved, insufficient progress made; a recommendation for discharge or termination will follow.

Forms used in the Intensive Assistance Plan shall be placed in the teacher's personnel file.
